Dear Parent/Carer

**“Period 6 Bus”**

Thank you to those parents who have responded to our letter regarding the “Period 6” Bus.

We received six responses to our consultation on the “Period 6” Bus. Those who replied said they would use the bus 2-3 times a week and most of those who replied have said they could contribute £2 a trip towards the costs.

Unfortunately, this does not allow us to keep the bus going permanently but we will reinstate the bus with effect from Monday, 19 February with the aim of running it until the end of the summer term to see if it can become sustainable or at the least to allow parents/carers to put alternatives in place.

We have set up the following in place for booking the minibus:

Complete a Minibus Booking Form by the Friday of the previous week with payment. This completed form plus the correct cash, or cheque (made payable to Everest Community Academy) should be put in a sealed envelope with the students name on and placed in the secure box at Reception. The form is attached but will also be available on the website to download and copies available at reception.

If there are available places students can book and pay at short notice on the day via reception but our preferred choice would be to book in advance.

Yours sincerely
