

Everest
Community Academy
To make our best better

18 September 2018

Dear Parent/Carer

We currently use Class Charts at Everest Community Academy which is an online system teachers use to track achievement and behaviour throughout the school day. We believe in working closely with parents and one of the key benefits of using Class Charts is that we are able to securely share your child(s) achievement and behaviour report with you and so keep you up to date in real-time.

Enclosed is the code you will need to create an account, you are then able to enter the code here:

<https://www.classcharts.com/parent/login>

Links to mobile phone apps are also available to parents from this page.

If you have more than one child at Everest Community Academy then you can enter additional codes once you have created an account and are logged in.

If you have any questions please do not hesitate to contact me either at the Academy or by email smurray@everestcommunityacademy.org.

Yours sincerely

Mr S Murray
Assistant Headteacher
